

Master Trainer - Advanced Training for

Target Training Associates will equip your workforce with the necessary skills to drive your business forward and stay ahead of the competition

target
training associates

Our 5 day ILM accredited Master Trainer programme gives you tools to be a world-class trainer. It is aimed at individuals who are looking at becoming a training professional with corporate and business clients and covers:

- Advanced principles of training
- Advanced facilitation skills
- Advanced training psychology
- Training design and structure
- Delivery to groups and individuals
- Coaching and mentoring skills

Our open and public events are delivered at select venues throughout the world. Additionally, the course can be customised to suit your own needs and can be delivered in-house.
